Aisha - Resit Haylamaz - 2013-03-01

This book portrays one of the most significant personalities in the history of Islam. Taking the misunderstandings and defamation about her into consideration, Aisha needs to be understood correctly. This study by Dr Resit Haylamaz, an expert on the life of the Prophet and his leading Companions, reflects her life in various aspects based on reliable reports. The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. As her sensitivity at practicing religion is related in a rich variety of examples, much disputed issues like her marriage age and her stance about Ali ibn Abi Talib are covered as separate topics.

The Masnavi of Rumi, Book Two - Jalaloddin Rumi - 2020-02-20

Jalaloddin Rumi's Masnavi-ye Ma'navi, or 'Spiritual Couplets', composed in the 13th Century, is a monumental work of poetry in the Sufi tradition of Islamic mysticism. For centuries before his love poetry became a literary phenomenon in the West, Rumi's Masnavi had been revered in the Islamic world as its greatest mystical text. Drawing upon a vast array of characters, stories and fables, and deeply versed in spiritual teaching, it takes us on a profound and playful journey of discovery along the path of divine love, toward its ultimate goal of union with the source of all Truth. In Book Two of the Masnavi, the second of six volumes, we travel with Rumi toward an understanding of the deeper truth and reality, beyond the limits of the self. Alan Williams's authoritative new translation is rendered in highly readable blank verse and includes the original Persian text for reference. True to the spirit of Rumi's poem, this new translation establishes the Masnavi as one of the world's great literary achievements for a global readership. Translated with an introduction, notes and analysis by Alan Williams and including the Persian text edited by Mohammad Este'lami.

Quran - Talal Itani - 2014-08-17

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he

The Meaning of the Glorious Koran - Marmaduke William Pickthall - 1953

A translation of the Koran into English by a native English speaker. Pickthall meant the work to convey the meaning of the Koran rather than to serve as a replacement for reading it in Arabic. He believed that "the Koran cannot be translated". The structure includes a short introduction summarizing the life of Mohammed and explaining the organization of the surahs (in the order that Mohammed preferred them rather than by chronological revelation or by consistent theme). The copy of the Koran that Pickthall used was written in 1246 C.E. by Al-Hajj Muhammad Shakarzâdeh from Turkey.

The Quran - Allah - 2019-11

The Quran is the sacred text of Islam. For Muslims, it is the word of the one God. The Quran was revealed to the last prophet and messenger Muhammad (ﷺ) from the year 610 until his death in 632 by the angel Gabriel (ﷺ). According to the Quran, Allah is the author of all the sacred books of the three monotheistic religions that are Islam, Christianity, and Judaism. He thus revealed the Gospel to the penultimate prophet Jesus and the Torah to the prophet Moses. We read thus in verse 3 of sura 3: "He brought down on you the Book (the Quran) with the truth, confirming the Books descended before him. And He brought down the Torah and the Gospel". However, Islam considers that with the exception of the Quran, all the holy books have been falsified by man. Verse 75 of Sura 2 goes in this direction: "- Well, do you hope [Muslims] that such people [the Jews] will share your faith with you? while a group of them; after having heard and understood the word of Allah, knowingly falsified it. "This present work is a translation into English of the meaning of the verses of the Quran made by Maulana Wahiduddin Khan.

The Moslem Doctrine of God - Samuel Zwemer - 2009-07-04

In his zeal to convert Muslims to Christianity, Zwemer was unmatched and this book helps to explain why. Not shy about admitting that the three major monotheistic religions share the concept of one God, he begins an examination of Islamic ideas about God, from a Christian perspective. Starting with the premise of the singularity of Allah, Zwemer discusses the Muslim ideas of the divine essence. In a chapter about the ninety-nine names of Allah he explores the similarity to the rosary and Islamic ideas of divine justice. Passing next to the attributes of Allah, Zwemer examines and analyzes what Muslims assert regarding God. In further chapters he deals with how Allah interacts with the world, the concept of the Trinity, and predestination. Determining that the completed idea of God in Islam is incomplete, Zwemer concludes with a case for the God of Christianity.

Providing commentary on three oft-recited chapters of the Holy Qur'an, this excerpt of the monumental discourse

traditional sources as well as insight into his own personal journey of discovery. Each verse is expounded upon with an exoteric explanation as well as related with an esoteric commentary to the mystic path of Islam, Sufism. As one of the few scholarly translations of traditional Qur'anic exegesis, this volume affords the previously unacquainted access not only to how educated Muslims have understood the dominant themes of these three chapters since the earliest days of Islam but also to how traditional Sufic sources have viewed the same themes in respect to the microcosm of the soul and the journey towards God.
