Feminist Political Philosophy (Stanford Encyclopedia of Philosophy)
Mar 01, 2009 · 1. Historical Context and Developments. Current feminist political philosophy is indebted to the work of earlier generations of feminist scholarship and activism, including the first wave of feminism in the English-speaking world, which took place from the 1840s to the 1920s and focused on improving the politically, educationally, and economic status of women.

Distributive Justice (Stanford Encyclopedia of Philosophy) Sep 22, 1998 · The economic, political, and social frameworks that such society has to its laws, institutions, policies, etc. result in different distributions of benefits and burdens across members of the society. These frameworks are the result of human political processes and they constantly change both across societies and within

Larry's Capability Approach / Internet Encyclopedia of Philosophy This makes the Capability Approach applicable across political, economic, and cultural borders. For example, one points out that living relatively income poor to a modestly wealthy (say mid-level middle income) or some expected capabilities, because they may require more resources to...

Political Ecology - an overview | ScienceDirect Topics
R.P. Neumann, in International Encyclopedia of Human Geography, 2009 Political ecology emerged in the 1980s as an interdisciplinary field that analyzed environmental problems using the concepts and methods of political economy. A central premise of the field is that ecological change cannot be understood without consideration of the political and economic structures...

Striving for Begumpura: Traversing the Intellectual
Nov 25, 2021 · So many efforts to organise women against atrocities or to fight their economic and political exploitation and come up against seemingly insurmountable struggles. State-sponsored women's subordination was a factor in Dowek's report on the emergence of a women's party in Maharashtra's Zilla Parishad elections in 1997.
