Newman - 2019-06</p> <p>Germ, Seeds and Animals: - Alfred W. Crosby - 2015-03-04</p> <p>Alfred Crosby almost alone redirected the attention of historians to ecological issues that were important precisely because they were global. In doing so, he answered those who believed that world history had become impossible as a consequence of the post-war proliferation of new historical specialties, including not only ecological history but also new social histories, areas studies, histories of mentalities and popular cultures, and studies of minorities, majorities, and ethnic groups. In the introduction to this volume, Professor Crosby recounts an intellectual path to ecological history that might stand as a rationale for world history in general. He simply decided to study the most pervasive and important aspects of human experience. By focusing on human universals like death and disease, his studies highlight the epidemic rather than the epiphenomenal.</p> <p>Germ, Seeds and Animals: - Alfred W. Eisenhower of veteran journalist Jim Newton's rendering is shrewd, sentimental, and tempestuous. Admired as a general, he was a champion of peace. In Korea and Vietnam, in Quemoy and Berlin, his generals urged him to wage nuclear war. Time and again he considered the idea and rejected it. And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools.--From publisher description.

Eisenhower - Jim Newton - 2012-10-02

Newly discovered and declassified documents make for a surprising and revealing portrait of the president we thought we knew. Belittled by his critics as the babysitter-in-chief, Eisenhower ground down Joseph McCarthy, stimulated the economy to lift it from recession, and turned an \$8 billion deficit in 1953 into a \$500 million surplus in 1960. The President Eisenhower of popular imagination is a benign figure, armed with a putter, a winning smile, and little else. The Eisenhower of veteran journalist Jim Newton's rendering is shrewd, sentimental, and tempestuous. Admired as a general, he was a champion of peace. In Korea and Vietnam, in Quemoy and Berlin, his generals urged him to wage nuclear war. Time and again he considered the idea and rejected it. And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools.--From publisher description.

AP® U.S. History Crash Course Book + Online - Larry Krieger - 2017-02-28

Fabric of a Nation - Jason Stacy - 2020-01-28

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

Letters from an American Farmer - J. Crevecoeur - 2007

First published in England in 1782, Crevecoeur's Letters from an American Farmer was one of the first works to describe the character of the average American at the close of the Revolutionary War. His famous question, ""What, then, is the American, this new man?"" summarized the European's interest in and questioning of the new country of America at a time when centuries of tradition had just been overturned and post-colonial Americans were attempting to describe themselves in a new way. Through the character of James, the letters celebrate the land of America, its space and fertility, and the character of Americans themselves, their work ethic and spirit of personal determination. The Letters also look at the darker side of American life, particularly the issue of slavery. The discussions of American identity, participation in war (or not), and the perception of immigrants and their ethnicity make this book as relevant to our understanding of ourselves today as it was in 1782.

Only Yesterday - Frederick Lewis Allen - 2015-05-26

A history of roaring prosperity—and economic cataclysm: "The one account of America in the 1920s against which all others must be measured" (The Washington Post). Beginning November 11, 1918, when President Woodrow Wilson declared the end of World War I in a letter to the American public, and continuing through his defeat, Prohibition, the Big Red Scare, the rise of women's hemlines, and the stock market crash of 1929, Only Yesterday, published just two years after the crash, chronicles a decade like no other. Allen, who witnessed firsthand the events he describes, immerses you in the era of flappers, speakeasies, and early radio, making you feel like part of history as it unfolds. This bestselling, enduring account brings to life towering historical figures including J. Pierpont Morgan, Henry Ford, Sigmund Freud, Albert Einstein, Al Capone, Babe Ruth, and Jack Dempsey. Allen provides insightful, in-depth analyses of President Warren G. Harding's oil scandal, the growth of the auto industry, the decline of the family farm, and the long bull market of the late twenties. Peppering his narrative with actual stock quotes and breaking financial news, Allen tracks the major economic trends of the decade and explores the underlying causes of the crash. From the trial of Nicola Sacco and Bartolomeo Vanzetti to the inventions, crazes, and revolutions of the day, this timeless work will continue to be savored for generations to come.

AP Achiever (Advanced Placement® Exam Preparation Guide) for AP US History (College Test Prep) - Jason George - 2007-01-05

Designed to help Advanced Placement students succeed in their studies and achieve a '5' on the AP Exam, AP Achiever for American History provides: An introduction to the American History Advanced Placement Course and Exam, including tips on essay writing for the free-response section of the Exam. A discussion of the AP Themes within the chapter, a chapter summary, as well as practice multiple-choice, free-response and document-based questions with detailed answers in every chapter. Two complete practice exams parallel the AP American History Exam in terms of question type and number of questions. Each practice exam is also similar to the AP Exam with regard to content, style, and format, and it includes thorough explanations for your students. AP Achiever for American History may be used independently or in conjunction with any American history text. For the most benefit use in conjunction with McGraw-Hill's leading text, American History: A Survey, 12th Edition, by Brinkley.
