Stellar reputation. This is a book no Triumph fan should be without!

By the Managing Director of the famous Workers’ Co-op, this is the real story of the last bastion of British triumph in a dangerously uncertain world. Humanity stands at a crossroads, and the only alternatives to the"American Trinity" of liberty, natural rights, and the melting-pot ideal of national unity are Islamic totalitarianism, European democratic socialism, capitalist dictatorship, or global chaos if we should fail. America is Still the Best Hope, as this eminently sensible, profoundly inspiring volume so powerfully proves.
