The Civil Rights Movement And The Second Reconstruction

During the period from the end of World War II until the late 1960s, often referred to as America’s “Second Reconstruction,” the nation began to correct civil and human rights abuses that had lingered in American society for a century. A grassroots civil rights movement coupled with gradual but progressive actions by Presidents, the federal courts, and Congress eventually provided more

Reconstruction and Its Aftermath - The African American

Even after the Emancipation Proclamation, two more years of war, service by African American troops, and the defeat of the Confederacy, the nation was still unprepared to deal with the question of full citizenship for its newly freed black population. The Reconstruction was implemented by Congress, which lasted from 1866 to 1877, was aimed at
