The Unofficial BTS Bible - Dianne Pineda-Kim - 2020-11-03
Join BTS’s ARMY and learn the history of the international K-POP sensation! BTS (aka Bangtan Sonyeondan) has become one of K-POP’s most well-known singing groups. The seven-member Korean boy band formed in 2013 and has slowly grown to worldwide fame through their music. Despite slow beginnings, the K-POP group now has millions of listeners around the world. They led the Korean Wave of music into the United States in 2017, and as of 2019, they are the only Korean group to top the US Billboard 200, and the first group since the Beatles to have three number-one albums in less than a year. BTS is also known for breaking the mold of K-POP, including social topics such as mental health, individualism, and social commentary in their hip-hop lyrics. TIME Magazine named the Korean Pop group as one of the 25 most influential people on the internet and named them as one of TIME’s 100 most influential people of 2019. In the BTS Bible, you’ll learn everything you could want to know about the sensational singing group, including: Individual member profiles Band concept and style History of their six-year rise to fame Chart-topping songs and videos Interviews with worldwide fans and music experts And more! Don’t get left behind in the wake of the BTS success. Read all about the K-POP group that is changing the face of international music in the Unofficial BTS Bible.

This independent, unofficial guide is an all-access pass to the biggest K-pop group in the world! Feel the power of K-pop! With their record-breaking music videos, albums, and live performances, BTS has taken the world by storm. And everyone wants to know more about the seven boys who keep millions entertained. Whether you’re brand new to beauty, or you already have a ten-step routine, Pretty Boys will inspire and teach you how to find your best self through tutorials, beauty secrets, and advice from the biggest names in the beauty industry, Hollywood, and social media. From Frank Ocean’s skin-care routine to Clark Gable’s perfectly styled hair, Rami Malek’s subtle eyeliner to a face beat to the gods à la Boy George or Kimchi the drag queen, K-Beauty to clean beauty, Pretty Boys will completely change the way we all see gender expression and identity.

**Pretty Boys** - David Yi - 2021-06-22
In this inclusive, illustrated history and guide to skin care and beauty, journalist and founder of Very Good Light David Yi teaches us that self-care, wellness, and feeling beautiful transcends time, boundaries, and binaries—and that pretty boys can change the world. Chanel and Goop might have seemed ahead of the curve when they launched their men’s beauty and wellness lines, but pharaohs were exfoliating, moisturizing, and masking eons earlier. Thousands of years before Harry Styles strutted down the red carpet with multicolored fingernails, Babylonian army officials had their own personal manicure sets. And BTS might have become an international sensation for their smoky eyes and perfect pouts, but the Korean Hwarang warriors who put on a full face before battle preceded them by centuries. Burn the Stage - Marc Shapiro - 2018-12-14
There are two sides to the BTS story. The all too familiar rags to riches odyssey in which seven young South Korean boys (RM, Suga, V, J-Hope, Jin, Jimin, Jungkook) emerge from obscurity to become true superstars in the pop music universe. Of equal importance was the relationship between the wide-eyed group members and the forward-thinking head of their record company, Bang Si-hyuk, which resulted in newfound freedom and a new way of creating the K-Pop sound. Both of these elements and more are the subject of the book Burn the Stage: The Rise of BTS and Korean Boy Bands by New York Times-bestselling author Marc Shapiro. This timely look at BTS and the K-Pop genre, told in quotes and anecdotes from BTS, delves into the history of K-Pop music, its pivotal twists and turns, insights into the modern K-Pop training and audition process, as well as the rise of BTS and their personal and professional development on the road to worldwide popularity. Author Marc Shapiro acknowledges that making the BTS story more than a mere rehashing of familiar material was a challenge. “This was an opportunity to follow the story of what many considered ‘The Next Big Thing’ hand in hand with the group in fairly real time. Seeing what they experienced as it happened rather than looking back on their lives years later. There was a sense of immediacy that appeared more in tune with the way the world turns now. Which is fast.”

BTS and the K-Pop world are constantly evolving and presenting new challenges and ideas. Burn the Stage: The Rise of BTS and Korean Boy Bands chronicles BTS in the now. There will certainly be a future.

There are so many k-pop boy groups, while the groups are too numerous to mention one by one. However, some of them just disappear after debut, and only a very small minority of k-pop boy groups can become popular. By the way, there is a boy group who has been on the steady rise since its debut and is now considered as one of the most popular k-pop idol groups. Yeah, it’s BTS. As BTS is enjoying a huge popularity at home and abroad, many people in the k-pop industry are now saying “The boy group is the future of k-pop.” Actually, BTS’ success is considered as being very special by people in the k-pop industry. Because BTS is in Big Hit entertainment, which is not as big k-pop agency as SM, YG, or JYP. Achieving success as an idol group of small and medium agency in the k-pop world is much harder than you could ever have imagined, and that’s why BTS deserves to be called “The k-pop pioneer”. Then, what do you think is the reason for BTS’ great success? First, the main reason for BTS’ success is that the boy group differentiated itself from other boy groups by doing "real hip hop" music. The group writes its own music and sings about teenager's life, arousing empathy from young k-pop fans. Second, some of BTS fans may disagree, but the members have ordinary looks unlike other pretty
home and abroad, many people in the k-pop looking, and frankly speaking, I thought they are too ugly to be idols when I saw BTS for the first time. However, because of this, they could become the hottest idol group. I mean, fans could feel more comfortable and familiar with the members because they do not look like cartoon characters. Third, BTS is an idol group, but its members, Rap Monster and Suga have released their mixtapes just like underground rappers do. By doing so, they stressed the fact that they’re different from other puppet like idols. Especially, Rap Monster, who has polished his rap skills in the Korean underground hip hop scene before debut is getting the spotlight in the k-pop industry by showing his outstanding rapping ability. He’s been active not only as an idol but also as a rapper, and he was also featured as a rapper in the album of MFBTY, comprised of Tiger JK, Yoon Mirae, and Bizzy who are considered as heavyweights in the Korean hip hop scene. BTS certainly succeeded in captivating k-pop fans and it’s mainly because of the group’s image as a skilled hip hop idol. Oh, it’s not just an image. The BTS members have sufficient performing skills and always prove it on the stage. Unlike other puppet like k-pop idol groups, they enjoy the stage and show high quality live performance. Have you been to BTS’ concert? It’s really gorgeous. So, are you a big fan of BTS? Do you want to know all the stories about BTS members? < BTS: The k-pop pioneer> contains all the things about BTS. The author, who has been working as a k-pop journalist since 2010 gives you answers to all the questions about BTS such as “What are their real personality like?”, “What were they like in school?” and “How did they become k-pop idols?”. The book also includes various stories behind BTS members. So, welcome to the real world of k-pop. Enjoy your time, and love yourself!

The members of BTS are global icons acclaimed for their record-smashing, barrier-breaking, trendsetting dance-pop and hip-hop, as well as their personal philosophies. BTS: The Ultimate Fan Book is the first celebration of this phenomenon from Korea, exploring in detail the group's origins, members, and extraordinary rise to success. Beautiful photographs highlight coverage of the group's kaleidoscope of personalities and passions that have made them more than just musical icons.

**Bts the Review** - 김영대 - 2019-03-27
The largest portion of this book is dedicated to the examination of sixteen albums that BTS has released. It was an unquestionable, obvious organization for me, albeit it may be demanding for the readers. To write this book, I replayed BTS' entire discography ad nauseam, though I am already familiar with the songs from previous repeated listens. I re-analyzed all the tracks in all of their singles, albums, solo albums, and activities in their entirety from scratch. I replayed same songs too many times to the point of blanking out occasionally. To elaborate the meaning and the appeal of their songs in musical terms, and to formulate a guide for those who listen to their music for the first time, I kept repeating the songs to develop a new framework. As a result, this book became compilation of critiques, reviews, and liner notes. It is my answer to how BTS came to be the sensation they are to-day. You will not find it in a few sentences or an article, but throughout the analyses of all the songs, lyrics, and the steps of the journey that BTS has taken. As you read this book, I wish you will put on your favorite speakers or headsets and enjoy BTS’ music again as you recap their career from the beginning. You may as well compare and contrast your impression with a music critic's perspective. When you turn the final page, I hope you are satisfied with my answer on the essence and the secret of BTS’ success.

BTS (Korean: Bulletproof Boy Scouts; RR: Bangtan Sonyeondan), also known as the Bangtan Boys, is a seven-member South Korean boy band formed in Seoul in 2010. The septet co-writes and produces much of their output. Originally a hip hop group, their musical style has evolved to include a wide range of genres. Their lyrics, often focused on personal and social commentary, touch on the themes of mental health, troubles of school-age youth, loss, the journey towards loving oneself, and individualism. Their work features references to literature and psychological concepts and includes an alternative universe storyline. The group initially formed as teenagers under and released their debut single album. Subsequent works--such as their first U.S. The Most Beautiful Moment in Life, The Most Beautiful Moment in Life:--helped establish BTS' reputation as a socially-conscious group. Wings became BTS' first album to sell one million copies in South Korea. BTS crossed into the international music market.

Philosophizing About BTS - Minju Cha - 2017-10-18

"Why BTS?" Because BTS' messages stand on philosophical ground. This is the founding principle of Philosophizing About BTS, author Cha Min-joo's thorough exploration of BTS' messages through the lenses of 20 great names in philosophy, including Nietzsche, Hegel, Deleuze, and Adorno. "This book exposes the philosophical ideas of the young generation in an upbeat manner, challenging the notion that philosophical talk must be serious. The author guides us toward a fresh, new angle on BTS' lyrics and away from exhausting philosophical overinterpretation. Rather than advocating vague optimistic views, this book delivers a message of hope that empowers the reader to rise from overconsumption, discrimination by differentiation and academic credentials, indifference, and social violence. Above all, it is easy and fun to read, but never light." – Lim Jin-mo, music commentator

Rather than advocating vague optimistic views, this book delivers a message of hope that empowers the reader to rise from overconsumption, discrimination by differentiation and academic credentials, indifference, and social violence. Above all, it is easy and fun to read, but never light." – Lim Jin-mo, music commentator

Philosophizing About BTS - Minju Cha - 2017-10-18

"Why BTS?" Because BTS' messages stand on philosophical ground. This is the founding principle of Philosophizing About BTS, author Cha Min-joo's thorough exploration of BTS' messages through the lenses of 20 great names in philosophy, including Nietzsche, Hegel, Deleuze, and Adorno. "This book exposes the philosophical ideas of the young generation in an upbeat manner, challenging the notion that philosophical talk must be serious. The author guides us toward a fresh, new angle on BTS' lyrics and away from exhausting philosophical overinterpretation. Rather than advocating vague optimistic views, this book delivers a message of hope that empowers the reader to rise from overconsumption, discrimination by differentiation and academic credentials, indifference, and social violence. Above all, it is easy and fun to read, but never light." – Lim Jin-mo, music commentator

Bts Artist Sketch Book - Omairria Mohammed - 2018-09-20
My name is Omairria as for me I'm a artist, I'm still a beginner artist, yet I'm an artist it sounds about right. Im abig fan of BTS Army!!! What inspired me to do this artist sketch book is, I love...
I draw everyday, and the reason I draw is because it's like when I draw it's like just me and the drawing. I pray that drawing brings you peace, and happiness as well. I enjoy it for so many reason. When I'm down Drawing is just peaceful, and for me if I'm sad all sadness goes aways and happiness comes!! This book is for you to draw, and even write about BTS!! The cover of this book is one of my drawings I did of Jimin. Feel free to make your first drawing of you ever you choose. I would love to see your pictures, and hear how this book has inspired you.

**Map of the Soul 7** - Murray Stein - 2020-05-19

Beyond summarizing the three volumes on Persona, Shadow and Ego in the Map of the Soul series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS's latest album, Map of the Soul: 7, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon Map of the Soul: Persona with songs about Shadow or Ego. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind's attention with its symbolic significance. What does this number mean in relation to the idea of a “map of the soul?” This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in Map of the Soul: 7. They take the listener into deep ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life’s journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships. The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a Map of the Soul that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life’s journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.

known as Blinks - suddenly included Ariana Grande and Harry Styles. They are the first female K-pop group to have had four #1 singles on Billboard's World Digital chart, and their single 'Ddu-Du Ddu-Du' became the most viewed music video by a K-pop group on YouTube - take that, BTS! This book is the perfect unofficial guide to Blackpink. It relates their days as trainees, their debut, their hits and success in the US, examines the personalities of each of the members and details their choreography, fashion and style triumphs and reveals why they are 'the only gang to run the game in high heels'.

Blackpink - Adrian Besley - 2019-12-05
A comprehensive guide to the K-pop girl group who are taking the music world by storm. The sassiest, most stylish girls around - BLACKPINK! 'Blackpink in Your Area!' The K-pop girl group are taking their catchphrase literally; they have just finished a sell-out stadium world tour. Jisoo, Jennie, Rosé and Lisa, all beautiful and supremely talented women in their early 20s, are the hottest thing in pop right now - and they only have a dozen songs! If Blackpink were ever a secret, the secret was out by April 2019, when they headlined Coachella, and their fandom - known as Blinks - suddenly included Ariana Grande and Harry Styles. They are the first female K-pop group to have had four #1 singles on Billboard's World Digital chart, and their single 'Ddu-Du Ddu-Du' became the most viewed music video by a K-pop group on YouTube - take that, BTS! **Revenge of the Zombie Monks** - Cara J. Stevens - 2016-04-26
One in a series of unofficial graphic novels for Minecraft The sequel to Megan Miller’s Quest for the Golden Apple Follows Phoenix and her new friends as they fight to save Xenos from zombie monks Phoenix, Wolfie, and their friends are back in this exciting second part of the Unofficial Graphic Novel for Minecrafters series! Past the walls of their monastery, the monks of Xenos grow enchanted golden apples for their neighbor villagers. As readers learn in Quest for the Golden Apple, these golden apples have magical healing abilities and have the power to keep the villagers save. The monks also have and protect the knowledge that connects Xenos to her sister worlds. This knowledge keeps Xenos and her citizens safe. But when the monks are zombified, Xenos’s citizens need a new hero. Following the design of zombie comics and Minecraft comics, follow Phoenix and her friends as they fight to save the citizens and monks of Xenos. But Phoenix and her crew of heroes have no idea and do not suspect the culprit behind this disaster—an incredibly powerful foe who will do anything to keep Phoenix from saving her world. The following three books in this series—Chasing Herobrine, The Ender Eye Prophecy, and Battle for the Dragon’s Temple—continue the adventures of Phoenix and are written by Cara J. Stevens. This book is sure to delight fans of both authors, graphic novels, and Minecraft. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are work might not otherwise find a home.
