**The Book of Awesome** - Neil Pasricha - 2010-04-15
Based on the award-winning 10-million-plus-hit blog 1000 Awesome Things, The Book of Awesome is an international bestselling high five for humanity and a big celebration of life’s little moments. Sometimes it’s easy to forget the things that make us smile. With a 24/7 news cycle reporting that the polar ice caps are melting, hurricanes are swirling in the seas, wars are heating up around the world, and the job market is in a deep freeze, it’s tempting to feel that the world is falling apart. But awesome things are all around us, like:
• Popping Bubble Wrap
• Wearing underwear just out of the dryer
• Fixing electronics by smacking them
• Getting called up to the dinner buffet first at a wedding
• Watching The Price Is Right when you’re home sick
• Hitting a bunch of green lights in a row
• Waking up and realizing it’s Saturday
The Book of Awesome reminds us that the best things in life are free (yes, your grandma was right). With laugh-out-loud observations from award-winning comedy writer Neil Pasricha, The Book of Awesome is filled with smile-inducing moments on every page that make you feel like a kid looking at the world for the first time. Read it and you’ll remember all the things there are to feel good about. **You Are Awesome** - Neil Pasricha - 2019-11-05
#1 international bestseller Publishers Weekly bestseller The Globe and Mail (Toronto) The Toronto Star bestseller The Vancouver Sun bestseller From Neil Pasricha—New York Times, million-copy bestselling author of The Book of Awesome series and The Happiness Equation, thought leader for the next generation, and one of the most popular TED speakers in the world—comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and other life-threatening catastrophes are the stuff of history books. We’re living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there’s just one side effect. We no longer have the tools to handle failureor even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don’t have friends. Cell phones show us we’re never good enough. Yesterday’s butterflies are tomorrow’s panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising! What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read You Are Awesome to learn:
• The single word that keeps your options open after failure
• What every commencement speech gets wrong
• 3 ways to dramatically accelerate your ability to learn and adapt
• The 2-minute morning practice that helps eliminate worry
• Why you need an Untouchable Day (and how to get one)
• and much, much more Because the truth is, you really are awesome.
