And Now We Have Everything - Meaghan O'Connell - 2018-04-10

Selected as One of the Best Books of the Year by: National Public Radio, Esquire, Bustle, Refinery29, Thrillist, Electric Literature,
issues, and the fascinating strangeness of "Smart, funny, and true in all the best ways, this book made me ache with recognition." -- Cheryl Strayed A raw, funny, and fiercely honest account of becoming a mother before feeling like a grown up. When Meaghan O'Connell got accidentally pregnant in her twenties and decided to keep the baby, she realized that the book she needed -- a brutally honest, agenda-free reckoning with the emotional and existential impact of motherhood -- didn't exist. So she decided to write it herself. And Now We Have Everything is O'Connell’s exploration of the cataclysmic, impossible-to-prepare-for experience of becoming a mother. With her dark humor and hair-trigger B.S. detector, O'Connell addresses the pervasive imposter syndrome that comes with unplanned pregnancy, the fantasies of a "natural" birth experience that erode maternal self-esteem, post-partum body and sex issues, and the fascinating strangeness of stepping into a new, not-yet-comfortable identity. Channeling fears and anxieties that are still taboo and often unspoken, And Now We Have Everything is an unflinchingly frank, funny, and visceral motherhood story for our times, about having a baby and staying, for better or worse, exactly yourself.

Suddenly, Emma is bombarded with peers asking her to help them postpone quizzes, get out of detention, and cut gym class short. This wasn't exactly what she had in mind... What's worse, someone is posting hurtful comments, telling her to mind her own business. Despite her good intentions, Emma's blog seems to only be getting her—and her friends—deeper and deeper into trouble. Will Ask Emma come to an end before it's really begun? Or can Emma find her voice, write what's in her heart, and truly stand up for what she believes in? This book will include an appendix on cyberbullying resources.

The Book of Emma Reyes - Emma Reyes - 2018-08-07
“Startling and astringently poetic.” —The New York Times An extraordinary account, in the tradition of The House on Mango Street, Child of the Dark, and Angela’s Ashes, of a Colombian woman’s harrowing childhood defined by uprootedness and migration Emma Reyes was an illegitimate child, raised in a windowless room in Bogotá with no water or toilet and only ingenuity to keep her and her sister alive. Abandoned by her mother, she moved with her sister to a Catholic convent, where she scrubbed floors and mended garments for the nuns—and lived in fear of the Devil. Illiterate and knowing nothing of the outside world, she escaped at age nineteen, eventually establishing a career as an artist, befriending the likes of Frida Kahlo and Diego Rivera as well as European artists and intellectuals, and being encouraged in her writing by Gabriel García Márquez. Comprised of letters written over the course of thirty years, this astonishing memoir describes in painterly detail the remarkable courage and limitless imagination of a young girl growing up with nothing. Discovered only after Reyes’s death, it
