The Essential Edwards Collection - Owen Strachan - 2010
Jonathan Edwards was well known as perhaps the greatest theologian the United States has ever produced. He is considered a fountainhead of American evangelicalism. He not only played an important role in his own time but also influenced the development of American thought through his writings. While he was a controversial figure in his own time, Jonathan Edwards’ influence on American thought has been profound and far-reaching.

Jonathan Edwards’ Life:
Jonathan Edwards was born on December 5, 1703, in Easthampton, Massachusetts. He was the son of a pastor and grew up in a pious New England community. He attended the College of New Jersey, now Princeton University, where he studied theology. In 1727, he was ordained as a minister and began his career as a preacher in Northampton, Massachusetts.

Edwards’ Theological Writings:
Jonathan Edwards’ theological writings were prolific and influential. He wrote on a wide range of topics, including theology, philosophy, and ethics. Some of his most important works include “A Discourse Concerning the Original of Evil,” “The Freedom of the Will,” and “The Great Work of Redemption.” His ideas and writings have been influential in the development of American evangelicalism and continue to be studied and debated by scholars today.

Jonathan Edwards’ Legacy:
Jonathan Edwards was a controversial figure in his own time, but his influence on American thought has been profound. He is considered a key figure in the development of American evangelicalism and has been praised for his original and innovative thinking. His ideas continue to be studied and debated by scholars today, and his legacy as a theologian and philosopher remains strong.

quiet and solitude, individual removal from the storm and thunder of modern society? Or is it obedient Christian faith that causes spiritual corpses to burst forth with godly passion and holy worship that transforms one’s own life, one’s environment, and one’s eternal destiny? This other way of life proceeds from an ancient book that lifts mankind by almighty God. It involves sacrifice, and hardship, and hard work. It means self-denial, self-abasement, and an others-centered mindset. It is radically God-centered and deeply rooted in Scripture. This, and no other path, offers the souls of humanity lasting happiness. For Jonathan Edwards, submission to God and His will was the path to true fulfillment and the good life. Easily accessible and readable, you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings.

Sinners in the Hands of an Angry God - Jonathan Edwards - 1922

The Federal Theology of Jonathan Edwards - Gilsun Ryu - 2021-04-07

The Christ-centered exegesis of Jonathan Edwards Jonathan Edwards is remembered for his sermons and works of theology and philosophy—but he has been overlooked as an exegete. Gilsun Ryu’s The Federal Theology of Jonathan Edwards explores how exegesis drove Edwards’s focus on the headship of Christ as second Adam—and likewise formed a foundation for his broader theological reasoning and writing, especially on Christ and the covenant. Edwards’s distinctive emphases on exegesis, redemptive history, and the harmony of Scripture distinguish him from his Reformed forebears. Ryu’s study will help readers appreciate Edwards’s contribution as an exegetically informed Reformed theologian.

The Writings of Jonathan Edwards - William J. Scheick - 1975

Follows the progression of Edwards’ thought, studying its religious and aesthetic implications in relation to his doctrines and his quandary as to whether he was one of God’s elect.

The Writings of Jonathan Edwards - William J. Scheick - 1975

Follows the progression of Edwards’ thought, studying its religious and aesthetic implications in relation to his doctrines and his quandary as to whether he was one of God’s elect.

Continuing in the second book of the first volume of Jonathan Edwards monumental works, it opens up by talking about the purpose for which we and the world was made and continues on to talk about the origin of sin and its purpose and as touches on the religious affections that are within the church.

Jonathan Edwards - Jonathan Edwards - 2013

The Power of God - David S. Lore - 2013-08-07

The book you now hold in your hands contains nearly everything the great American puritan Jonathan Edwards (1703-58) ever wrote on the book of Romans. It is collated into a verse-by-verse Bible commentary, Pastoral theologians, historians, and Bible study leaders will find a treasure of biblical insight along with practical application, as one of the great theologians of the Christian church exposes the book that Martin Luther called the "most important piece in the New Testament.” Jonathan Edwards’ expository genius is clearly evident in both the depth of his biblical insight as well as his logic. Readers will be encouraged and edified as they delve deeply into the book of Romans with Jonathan Edwards by their side.

Jonathan Edwards - Simenetta Carr - 2014-09-24

Jonathan Edwards lived at a time when many ideas about the world, life, and God were being questioned seriously for the first time in centuries, and his answers to them have left a mark on the way we think today. While he is often remembered as the preacher of a scary sermon about a spider dangling over a fire, he remains significant as one of the greatest thinkers America has produced. Simenetta Carr traces the events of Edwards’s life from a young student interested in science to husband and father, pastor, leader of the Great Awakening, missionary, writer, and college president. Colorful illustrations, interesting facts, and a compelling story combine to introduce young readers to this important theologian and life in colonial America.
