[MOBI] Abraham The Worlds First But Certainly Not Last Jewish Lawyer Jewish Encounters Series

If you ally obsession such a referred Abraham the worlds first but certainly not last Jewish lawyer Jewish encounters series book that will meet the expense of you worth, acquire the agreed best seller from us currently from several preferred authors. If you desire to droll books, lots of novels, tale, jokes, and more fictions collections are plus launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all book collections Abraham the worlds first but certainly not last Jewish lawyer Jewish encounters series that we will utterly offer. It is not approaching the costs. Its just about what you obsession currently. This Abraham the worlds first but certainly not last Jewish lawyer Jewish encounters series, as one of the most in action sellers here will unconditionally be accompanied by the best options to review.

Jewish lawyers: from the

**Abraham** - Alan Dershowitz - 2015-10-06
Part of the Jewish Encounter series

One of the world’s best-known attorneys gives us a no-holds-barred history of biblical Abraham through modern-day advocates who have changed the world by challenging the status quo, defending the unpopular, contributing to the rule of law, and following the biblical command to pursue justice.
The Hebrew Bible’s two great examples of advocacy on behalf of problematic defendants—Abraham trying to convince God not to destroy the people of Sodom, and Moses trying to convince God not to destroy the golden-calf-worshipping Children of Israel—established the template for Jewish lawyers for the next 4,500 years. Whether because throughout history Jews have found themselves unjustly accused of crimes ranging from deicide to ritual child murder to treason, or because the biblical exhortation that “justice, justice, shall you pursue” has been implanted in the Jewish psyche, Jewish lawyers have been at the forefront in battles against tyranny, in advocating for those denied due process, in negotiating for just and equitable solutions to complex legal problems, and in efforts to ensure a fair trial for anyone accused of a crime. Dershowitz profiles Jewish lawyers well-known and unheralded, admired and excoriated, victorious and defeated—and, of course, the gung-ho practice of law, Dershowitz-style. Louis Brandeis, Theodor Herzl, Judah Benjamin, Max Hirschberg, René Cassin, Bruno Kreisky, Ruth Bader Ginsburg, and Irwin Cotler are just a few of the “idol smashers, advocates, collaborators, rescuers, and deal makers” who helped to change history. Dershowitz’s thoughts on the future of the Jewish lawyer are presented with the same insight, shrewdness, and candor that are the hallmarks of his more than four decades of writings on the law and how it is (and should be!) practiced.

Abraham: The World's First Psychopath - Adam Weishaupt - 2013-01-26
If you consider it impossible that the morally perfect God would order a father to make a human sacrifice of his innocent son for no reason other than to demonstrate absolute, mindless obedience, then the God of Abraham cannot be God. So who is he? The ancient Gnostics had the
Abraham: The World's First Psychopath - Adam Weishaupt - 2013-01-26

If you consider it impossible that the morally perfect God would order a father to make a human sacrifice of his innocent son for no reason, doesn't that explain the horrific history of the Abrahamic religions and their grotesque propensity for violence? Abrahamism is a terrorist religion, led by a terrorist God who demands unwavering obedience even when it contradicts morality. The Jews, Christians and Muslims who trace their common ancestry to Abraham are thus revealed as Devil worshippers. This book provides a theological dissection of the tale of Abraham from the Jewish, Christian and Muslim perspectives. It reveals Abraham as one of the most evil men in history and unquestionably the world's first psychopath. Like the Nazis, he put obedience to a tyrannical monster above human life. This is a book by the Pythagorean Illuminati.

Abraham - Alan M.

other than to demonstrate absolute, mindless obedience, then the God of Abraham cannot be God. So who is he? The ancient Gnostics had the obvious answer - he's Satan. Doesn't that explain the horrific history of the Abrahamic religions and their grotesque propensity for violence? Abrahamism is a terrorist religion, led by a terrorist God who demands unwavering obedience even when it contradicts morality. The Jews, Christians and Muslims who trace their common ancestry to Abraham are thus revealed as Devil worshippers. This book provides a theological dissection of the tale of Abraham from the Jewish, Christian and Muslim perspectives. It reveals Abraham as one of the most evil men in history and unquestionably the world's first psychopath. Like the Nazis, he put obedience to a tyrannical monster above human life. This is a book by the Pythagorean Illuminati.
As Alan Dershowitz sees it, the Hebrew Bible's two great examples of advocacy on behalf of problematic defendants--Abraham trying to convince God not to destroy the people of Sodom, and Moses trying to convince God not to destroy the golden-calf-worshipping Children of Israel--established the template for Jewish lawyers for the next four thousand years. Whether because throughout history Jews have found themselves unjustly accused of crimes ranging from deicide to ritual child murder to treason or because the biblical exhortations regarding "justice, justice, shall you pursue" have been implanted in the Jewish psyche, Jewish lawyers have been at the forefront of the battles against tyranny, in advocating for those denied due process, in negotiating for just and equitable solutions to complex legal problems, and in the efforts to ensure a fair trial for anyone accused of a crime. In this survey of Jewish lawyers throughout history, Dershowitz profiles Jewish lawyers both wellknown and unheralded, admired and excoriated, victorious and defeated--and, of course, gives us some glimpses into the gungho practice of law Dershowitz-style. The Intimate World of Abraham Lincoln - C.A. Tripp - 2005-01-11
The late C. A. Tripp, a highly regarded sex researcher and colleague of Alfred Kinsey, and author of the runaway bestseller The Homosexual Matrix, devoted the last ten years of his life to an exhaustive study of Abraham Lincoln's writings and of scholarship about Lincoln, in search of hidden keys to his character. In The Intimate World of Abraham Lincoln, completed just weeks before he died, Tripp offers a full examination of Lincoln's inner life and relationships that, as Dr. Jean Baker argues in the Introduction, "will define the issue for years to come." Throughout this riveting work, new details are revealed about Lincoln's relations with a number of men. Long-standing myths are debunked convincingly -- in particular, the myth that Lincoln's one true love was Ann Rutledge, who died tragically young. Ultimately, Tripp argues that Lincoln's unorthodox loves and friendships were tied to his maverick beliefs about religion, slavery, and even ethics and morals. As Tripp argues, Lincoln was an "invert": a man who consistently turned convention on its head, who drew his values not from the dominant conventions of society, but from within. For years, a whisper campaign has mounted about Abraham Lincoln, focusing on his
explains in one of the famously awkward around single women. He was engaged once before Mary Todd, but his fiancée called off the marriage on the grounds that he was "lacking in smaller attentions." His marriage to Mary was troubled. Meanwhile, throughout his adult life, he enjoyed close relationships with a number of men. He shared a bed with oshua Speed for four years as a young man, and -- as Tripp details here -- he shared a bed with an army captain while serving in the White House, when Mrs. Lincoln was away. As one Washington socialite commented in her diary, "What stuff!" This study reaches far beyond a brief about Lincoln's sexuality: it is an attempt to make sense of the whole man, as never before. It includes an Introduction by Jean Baker, biographer of Mary Todd Lincoln, and an Afterword containing reactions by two Lincoln scholars and one clinical psychologist and longtime acquaintance of C.A. Tripp. As Michael Chesson

Afterword essays, "Lincoln was different from other men, and he knew it. More telling, virtually every man who knew him at all well, long before he rose to prominence, recognized it. In fact, the men who claimed to know him best, if honest, usually admitted that they did not understand him." Perhaps only now, when conventions of intimacy are so different, so open, and so much less rigid than in Lincoln's day, can Lincoln be fully understood.

understand faiths that are different from their own.

**Abraham's Children** - Richard Harries - 2006-03-30
Abraham's Children brings together essays by leading scholars of each faith to address key issues for the faiths and to collaboratively identify common ground and pose challenges for the future. The book will inspire readers in the process of inter-faith dialogue, contribute clearly to vital religious issues of contemporary world concern and help readers to understand faiths that are different from their own.

**The Apocalypse of Abraham** - George Herbert Box - 2017-06-15
Considered by many to be 'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the...
The Apocalypse of Abraham

The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.

Abraham Lincoln's World

A historical survey of Europe, Asia, Africa, and the Americas during the lifetime of Abraham Lincoln, examining people, places, and events which gave color to the world of the nineteenth century.

The Biblical Aspect of Abraham's Life

The Biblical Aspect of Abraham's Life is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today Christians in many aspects, but was used by God to accomplish His plan and purpose. Written by pastors Ike and Queen Ozuome, this book offers some helpful insights into Abraham's wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life. « It is designed to help the Christian who is...
and powerful Old Testament believer who is just like today with Christ to have a better understanding of how God interacts with His people. « It is also a useful resource material for understanding your strengths and weaknesses and for identifying both the opportunities open to you and threats you face in your Christian walk with Christ. « It can serve as a flashlight for anyone who is walking a dark path or who wants to learn from the mistakes of someone in the past as to avoid the same mistakes or pitfalls. « It is a book that will help you link the things that have happened in the past with experiences that you have in the present.

The Biblical Aspect of Abraham’s Life - Ike & Queen Ozuome - 2013-02 ALL THESE THINGS WERE WRITTEN DOWN FOR OUR LEARNING AND FOR OUR ADMONITION. (Romans 15:4; 1 Corinthians 10:6, 11

**An Introduction to the Book of Abraham** - John Laurence Gee - 2016-11-30

When the Book of Abraham was first published to the world in 1842, it was published as "a translation of some ancient records that have fallen into [Joseph Smith's] hands from the catacombs of Egypt, purporting to be the writings of Abraham while he was in Egypt, called 'The Book of Abraham, Written by his Own Hand, upon Papyrus.'" The resultant record was thus connected with the papyri once owned by Joseph Smith, though which papyrus of the four or five in his possession was never specified. Those papyri would likely interest only a few specialists--were the papyri not bound up in a religious controversy. This controversy covers a number of interrelated issues, and an even greater number of theories have been put forward about these issues. Given the amount of information available, the variety of fields of study the subject requires, misunderstandings and misinformation often prevail. The goal with the Introduction to the Book of Abraham is to make reliable information about the Book of Abraham accessible to the general reader.

Black Sunday - Tola Rotimi Abraham - 2020-02-04

Named a Kirkus Reviews Best Fiction Book of the Year and called “simultaneously unique and universal,” this fiercely original debut novel follows the fate of four siblings over the course of two decades in Nigeria as they search for agency, love, and meaning in a society rife with hypocrisy (NPR). “I like the idea of a god who knows what it’s like to be a twin. To have no

Twin sisters Bibike and Ariyike are enjoying a relatively comfortable life in Lagos in 1996. Then their mother loses her job due to political strife, and the family, facing poverty, becomes drawn into the New Church, an institution led by a charismatic pastor who is not shy about worshipping earthly wealth. Soon Bibike and Ariyike’s father wagers the family home on a “sure bet” that evaporates like smoke. As their parents’ marriage collapses in the aftermath of this gamble, the twin sisters and their two younger siblings, Andrew and Peter, are thrust into the reluctant care of their traditional Yoruba grandmother. Inseparable while they had their parents to care for them, the twins’ paths diverge once the household shatters. Each girl is left to locate, guard, and hone her own fragile source of power. Written with astonishing intimacy and wry attention to the fickleness of fate, Tola Rotimi Abraham’s Black Sunday takes us into the chaotic heart of family
Lagos in 1996. Then their euphoria of kinship to the devastation of estrangement. In the process, it joyfully tells a tale of grace and connection in the midst of daily oppression and the constant incursions of an unremitting patriarchy. This is a novel about two young women slowly finding, over twenty years, in a place rife with hypocrisy but also endless life and love, their own distinct methods of resistance and paths to independence.

**Abraham's Children** - Jon Entine - 2007-10-24

Could our sense of who we are really turn on a sliver of DNA? In our multiethnic world, questions of individual identity are becoming increasingly unclear. Now in **ABRAHAM'S CHILDREN** bestselling author Jon Entine vividly brings to life the profound human implications of the Age of Genetics while illuminating one of today's most controversial topics: the connection between genetics and who we are, and specifically the question "Who is a Jew?" Entine weaves a fascinating narrative, using breakthroughs in genetic genealogy to reconstruct the Jewish biblical tradition of the hereditary Israelite priestly caste of Cohanim. Synagogues in the mountains of India and China and Catholic churches with a Jewish identity in New Mexico and Colorado provide different patterns of connection within the tangled history of the Jewish diaspora. Legendary accounts of the Hebrew lineage of Ethiopian tribesmen, the building of Africa's Great Zimbabwe fortress, and even the so-called Lost Tribes are reexamined in light of advanced DNA technology. Entine also reveals the shared ancestry of Israelites and Christians. As people from across the world discover their Israelite roots, their riveting stories unveil exciting new approaches to defining one's identity. Not least, Entine addresses possible connections between DNA and Jewish intelligence and the controversial notion that Jews are a "race apart."

He explores the question of the extent to which various New Testament authors developed something already present in the tradition and the extent to which they molded their depiction of Abraham to suit their own purposes in novel and creative ways. The book also considers how the diverse New Testament depictions and interpretations of the patriarch affect the preaching of the Abrahamic tradition today.

Abraham in the Old Testament and Early Judaism - John Eifion Morgan-Wynne - 2020-04-23
In this book, John Morgan-Wynne carefully examines the pivotal figure of Abraham in the Old Testament and Early Judaism. Our earliest literary evidence concerning Abraham is the stream of tradition known as J, the so-called Yahwist source (ca tenth century BCE), and also the Elohist stream of tradition (ninth to eighth century, or perhaps earlier). The subsequent eclipse of the Abrahamic tradition in the south is probably accounted for by the stress on the Davidic monarchy. However, Abraham's profile begins to rise again during and after the Babylonian exile when Jewish theologians had to come to terms with the traumatic events of the fall of the northern and southern kingdoms. He is frequently discussed in many non-
Abraham in the Old Testament and Early Judaism - John Eifion Morgan-Wynne - 2020-04-23

In this book, John Morgan-Wynne carefully examines the pivotal figure of Abraham in the Old Testament and Early Judaism. Our earliest literary evidence concerning Abraham is the stream of tradition known as J, the so-called Yahwist source (ca tenth century BCE), and also the Elohist stream of tradition (ninth to eighth century, or perhaps earlier). The subsequent eclipse of the Abrahamic tradition in the south is probably accounted for by the stress on the Davidic monarchy. However, Abraham's profile begins to rise again during and after the Babylonian exile when Jewish theologians had to come to terms with the traumatic events of the fall of kingdoms. He is frequently discussed in many non-canonical, early Jewish writings as he became a figure of identification, a pre-eminently righteous man, and an example to imitate, as Jews came to terms with being a subject people and with persecution.

A History of the World from the Earliest Records
An enlightening narrative exploring an oft-overlooked aspect of the sixteenth president's life, An American Marriage reveals the tragic story of Abraham Lincoln’s marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded “connubial bliss” as an untenable fantasy. During the Civil War, he pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: "I want to punish the young man—probably in less than a year he will wish I had withheld the pardon.” Based on thirty years of research, An American Marriage describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5’2” Mrs. Lincoln often physically abused her 6’4” husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him publicly. Unlike her husband, she was not profoundly opposed to slavery and hardly qualifies as the “ardent abolitionist” that some historians have portrayed. While she providid a useful stimulus to his ambition, she often “crushed his spirit,” as
and analyzes why Lincoln had end, Lincoln may not have had as successful a presidency as he did—where he showed a preternatural ability to deal with difficult people—if he had not had so much practice at home.

**Abraham Geiger's Liberal Judaism** - Ken Koltun-Fromm - 2006-07-13
German rabbi, scholar, and theologian Abraham Geiger (1810--1874) is recognized as the principal leader of the Reform movement in German Judaism. In his new work, Ken Koltun-Fromm argues that for Geiger personal meaning in religion -- rather than rote ritual practice or acceptance of dogma -- was the key to religion's moral authority. In
German rabbi, scholar, and theologian Abraham Geiger (1810--1874) is recognized as the principal leader of the Reform movement in German Judaism. In his new work, Ken Koltun-Fromm argues that for Geiger personal meaning in religion -- rather than rote ritual practice or acceptance of dogma -- was the key to religion's moral authority. In five chapters, the book explores issues central to Geiger's work that speak to contemporary Jewish practice.

Abraham's Silence - J. Richard Middleton - 2021-11-16
It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience? Widely respected biblical theologian, creative thinker, and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in
Abraham's Silence - J. Richard Middleton - 2021-11-16

It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience? Widely respected biblical theologian, creative thinker, and public speaker J. Richard Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith. Middleton also examines the book of Job in terms of God validating Job's lament as "right speech," showing how the vocal Job provides an alternative to the silent Abraham. This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God.

Interpreting Abraham - Bradley Beach - 2014

"Interpreting the Akedah--across tradition and across time. The story of Abraham and Isaac is a story of near universal importance. Sitting near the core of three of the world's great religious traditions, the binding of Isaac raises questions about the nature of personal faith and the relationship between God and his people. In this work, Bradley Beach, a respected rabbi and scholar, explores the story of Abraham and Isaac from the perspectives of Judaism, Christianity, and Islam, offering insights into the ongoing relevance of this ancient narrative.
and Isaac is a story of near universal importance. Sitting near the core of three of the world's great religious traditions, this nineteen-verse story opens a world of interpretive possibilities, raising questions of family, loyalty, faith, and choices that are common to us all. This collection of essays takes up the question of how our interpretation of this pivotal text has changed over time, and how, even in unlikely places, the story influences our thought. It begins by exploring various readings of Abraham and the Akedah story throughout [sic] the traditional lenses of Judaism, Christianity, and Islam. From there it moves into modern and postmodern readings, including how such varied thinkers as Kant and Kierkegaard, Kafka and Derrida have engaged the text. Interpreting Abraham demonstrates the diversity of interpretations and the dramatic impact of the story on the Western intellectual tradition."--Back cover.

More than simply a Festschrift, this book encompasses a uniquely broad range of traditions having to do with Abraham. It also succeeds in the task that Wilson has always encouraged --- bringing Jews and Christians together in fruitful dialogue."--Jacket.

Abraham Called by God - Witness Lee - 1998
A remarkable commentary on the life of Abraham from the Book of Genesis, Abraham Called by God presents Abraham as a genuine man, fallen but called by God. Like him, readers are admonished to learn the lessons of faith through trial, testing, and failure, in order to enter into the promises and blessings of God.
The poet Abraham Shlonsky (1900–1973) can be regarded as the main architect of Jewish Modernism and Hebrew secular culture. In his crucial contribution, Ari Ofengenden disentangles Shlonsky’s work from Zionist readings and shows how his poetics redeem experiences of radical political displacement, exile and alienation through the use of a precise, chiseled yet playfully enigmatic style. Writing on immigrants, refugees and urban outcasts following the traumatic events of the First World War and the Civil War in Russia, his poetry constitutes a fusion of Modernist European poetry with biblical and rabbinic sources with the influences of Georg Trakl and Rimbaud. The book situates Shlonsky’s poetry in the context of his “rebellion” against the promises and blessings of God.

Karl Abraham - Anna
Bentinck van Schoonheten - 2018-05-08
This book provides the reader
with rich evidence of the very
contemporaneity of Karl
Abraham, reminding the
reader of his unique clinical
contributions to such diverse
areas of concentration as the
psychoses, depression, and
the pre-oedipal.
