Eventually, you will certainly discover a other experience and finishing by spending more cash. yet when? reach you acknowledge that you require to get those all needs considering having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more around the globe, experience, some places, subsequent to history, amusement, and a lot more?

It is your agreed own time to put it on reviewing habit. among guides you could enjoy now is **stanton in her own time a biographical chronicle of her life drawn from recollections interviews and memoirs** below.

Among nineteenth-century women’s rights reformers, Elizabeth Cady Stanton (1815–1902) stands out for the maternal and secular advocacy.
Among nineteenth-century women’s rights reformers, Elizabeth Cady Stanton (1815–1902) stands out for the maternal and secular advocacy that shaped her activism and public reception. A wife and mother of seven, she was also a prolific writer, transatlantic women’s rights leader, popular lecturer, congressional candidate, canny historian, and freethought champion. Her lifelong interest in women’s sexual and reproductive rights and late efforts to reform institutional religion are as relevant to our time as they were to her own. Stanton’s professional life lasted a half-century, ranging from antebellum women’s rights organization and oratory, to a post–Civil War career as a lyceum lecturer, to a late-century role as an incisive religious and cultural critic. Acutely aware of the medical, religious, legal, and educational barriers to women’s independence, she advocated for married women’s right to vote, obtain a divorce, gain custody of their children, and own property. As she grew more radical over the years, she also demanded judicial reform, the separation of church and state, free love, progressive coeducational opportunities, and women’s right to limit their fertility. In this richly contextualized collection of primary sources, Noelle A. Baker brings together accounts of Stanton’s life and ideas from both well-known and recently recovered figures. From the teacher chiding an assertive young woman to erstwhile allies worrying about her growing radicalism, their voices paint a vivid portrait of a woman of vaunting ambition, powerhouse intellect, and her share of human failings.

**In Her Own Right** - Elisabeth Griffith - 1985-11-21
The first comprehensive, fully documented biography of the most important woman suffragist and feminist reformer in nineteenth-century America, In Her Own Right restores Elizabeth Cady Stanton to her true place in history. Griffith emphasizes the significance of role models and female friendships in Stanton's progress toward personal and political independence. In Her Own Right is, in the author's words, an "unabashedly 'great woman' biography."

**Radicals in their Own Time** - Michael Anthony Lawrence - 2010-11-22
Radicals in Their Own Time explores the lives of five Americans, with lifetimes spanning four hundred years, who agitated for greater freedom in America. Every generation has them:
freedom from arbitrary authority. This book makes two important observations in discussing Roger Williams, Thomas Paine, Elizabeth Cady Stanton, W. E. B. Du Bois and Vine Deloria, Jr. First, each believed that government must broadly tolerate individual autonomy. Second, each argued that religious orthodoxy has been a major source of society's ills - and all endured serious negative repercussions for doing so. The book challenges Christian orthodoxy and argues that part of what makes these five figures compelling is their willingness to pay the price for their convictions - much to the lasting benefit of liberty and equal justice in America.

In the Spring of 1851 two women met on a street corner in Seneca Falls, New York—Elizabeth Cady Stanton, a thirty-five year old mother of four boys, and Susan B. Anthony, a thirty-one year old, unmarried, former school teacher. Immediately drawn to each other, they formed an everlasting and legendary friendship. Together they challenged entrenched beliefs, customs, and laws that oppressed women and spearheaded the fight to gain legal rights, including the right to vote despite fierce opposition, daunting conditions, scandalous entanglements and betrayal by their friends and allies. Weaving events, quotations, personalities, and commentary into a page-turning narrative, Penny Colman tells this compelling story and vividly portrays the friendship between Elizabeth Cady Stanton and Susan B. Anthony, a friendship that changed history.

**You Want Women to Vote, Lizzie Stanton?** - Jean Fritz - 1999-02-15
This biography of Elizabeth Cady Stanton is as spirited as the women's rights pioneer herself. Who says women shouldn't speak in public? And why can't they vote? These are questions Elizabeth Cady Stanton grew up asking herself. Her father believed that girls didn't count as much as boys, and her own husband once got so embarrassed when she spoke at a convention
that he left town. Luckily Lizzie wasn't one to let society stop her from fighting for equality for everyone. And though she didn't live long enough to see women get to vote, our entire country benefited from her fight for women's rights. "Fritz imparts not just a sense of Stanton's accomplishments but a picture of the greater society Stanton strove to change. Highly entertaining and enlightening." — Publishers Weekly (starred review) "This objective depiction of Stanton's life and times makes readers feel invested in her struggle." — School Library Journal (starred review) "An accessible, fascinating portrait." — The Horn Book

In this subtly crafted biography, the historian Lori D. Ginzberg narrates the life of a woman of great charm, enormous appetite, and extraordinary intellectual gifts who turned the limitations placed on women like herself into a universal philosophy of equal rights.

**American Legends** - Charles River Charles River Editors - 2018-03-02
*Includes pictures of Stanton and important people in her life. *Includes Stanton's most colorful quotes on religion, abolition, and women's rights. *Includes a Bibliography for further reading. "The moment we begin to fear the opinions of others and hesitate to tell the truth that is in us, and from motives of policy are silent when we should speak, the divine floods of light and life no longer flow into our souls." -

spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Elizabeth Cady Stanton is something of an unsung hero in the history of the feminist movement. Though she is still primarily known as an advocate of women's suffrage and is closely linked to the better known Susan B. Anthony, Stanton was shunned by many of her fellow suffragists because her ideas seem too radical and because many were disturbed by her barely Deist view of religion. Over a century after her death, modern feminists tend to overlook Stanton in favor of Anthony, while remembering that Stanton enjoyed taking on the traditional 19th century gender roles of being the mother of a large family and remaining devoted
suffragists, examining her ideology and the Anthony's comments about abortion are still fiercely debated by pro-life and pro-choice crowds, Stanton held conservative views toward abortion. It's clear that Elizabeth Cady Stanton was very much her own woman, certainly a fitting description that she would not have wanted any other way. Though she is not as well known or fondly remembered as her closest counterpart, Stanton preceded Anthony as an advocate of women's rights. It was Stanton who issued the Declaration of Sentiments at the first women's rights convention in Seneca Falls, New York in 1848, touching off the organized movement that worked toward suffrage and equality. At the same time, Stanton was an ardent abolitionist, and she focused on progressive issues like custody rights, divorce, women's property rights, employment issues, and even birth control. American Legends: The Life of Elizabeth Cady Stanton chronicles the amazing life and work of one of America's best known controversies she generated. Along with pictures, you will learn about Elizabeth Cady Stanton like you never have before, in no time at all.

**The Ballot Box Battle** - Emily Arnold McCully - 2014-11-26
Illustrated in full color. Just in time for the
Elizabeth Cady Stanton. It is the fall of 1880, and Emily Arnold McCully's stirring tale of a young girl's act of bravery inspired by the great Elizabeth Cady Stanton. It is the fall of 1880, and Cordelia is more interested in horse riding than in hearing her neighbor, Mrs. Stanton talk about her fight for women's suffrage. But on Election Day, Mrs. Stanton tells the heart-wrenching story of her childhood. Charged with the story's message, Cordelia determines to go with Mrs. Stanton to the polls in an attempt to vote--above the jeers and taunts of the male crowd. With faces, landscapes, and action scenes brought to life by McCully's virtuosic illustrations, Cordelia's turning-point experience is sure to inspire today's young girls (and boys) everywhere.

Elizabeth Cady Stanton, Feminist as Thinker
- Ellen Carol DuBois - 2007-04-01
More than one hundred years after her death, Elizabeth Cady Stanton still stands—along with her close friend Susan B. Anthony—as the major icon of the struggle for women’s suffrage. In spite of this celebrity, Stanton’s intellectual contributions have been largely overshadowed by the focus on her political activities, and she is yet
Gornick, Kathi Kern, Michele Mitchell, and the nineteenth century. Here, at long last, is a single volume exploring and presenting Stanton’s thoughtful, original, lifelong inquiries into the nature, origins, range, and solutions of women’s subordination. Elizabeth Cady Stanton, Feminist as Thinker reintroduces, contextualizes, and critiques Stanton’s numerous contributions to modern thought. It juxtaposes a selection of Stanton’s own writings, many of them previously unavailable, with eight original essays by prominent historians and social theorists interrogating Stanton’s views on such pressing social issues as religion, marriage, race, the self and community, and her place among leading nineteenth century feminist thinkers. Taken together, these essays and documents reveal the different facets, enduring insights, and fascinating contradictions of the work of one of the great thinkers of the feminist tradition. Contributors: Barbara Caine, Richard Cándida Smith, Ellen Carol DuBois, Ann D. Gordon, Vivian

Christine Stansell.

Stanton - 2020-02-25
The autobiography of women’s rights pioneer Elizabeth Cady Stanton—published for the 100th anniversary of women’s suffrage—including an updated introduction and afterword from noted scholars of women's history Ellen Carol DuBois and Ann D. Gordon. Eighty Years and More: Reminiscences 1815–1897, is one of the great American autobiographies. There is really no other American woman’s autobiography in the nineteenth century that comes near it in relevance, excellence, and historical significance. In 1848, thirty-three-year-old Stanton and four others organized the first major women’s rights meeting in American history. Together with Susan B. Anthony, her partner in the cause, she led the campaign for women’s legal rights, most prominently woman suffrage, for the rest of the century. In those years, Stanton was the movement’s spokeswoman, theorist, and its visionary. In addition to her suffrage activism,
and Ann D. Gordon. Eighty Years and More: reproductive freedom, and a ceaseless critic of religious misogyny. As the mother of seven, she also had pronounced opinions on women’s domestic responsibilities, especially on raising children. In Eighty Years and More, Stanton reminisces about dramatic moments in the history of woman suffrage, about her personal challenges and triumphs, and about the women and men she met in her travels around the United States and abroad. Stanton’s writing retains its vigor, intelligence, and wit. Much of what she had to say about women, their lives, their frustrations, their aspirations and their possibilities, remains relevant and moving today.

In Eighty Years and More, Stanton reminisces about dramatic moments in the
and because many were disturbed by her barely challenges and triumphs, and about the women and men she met in her travels around the United States and abroad. Stanton's writing retains its vigor, intelligence, and wit. Much of what she had to say about women, their lives, their frustrations, their aspirations and their possibilities, remains relevant and moving today.

**The Woman's Bible** - Elizabeth Cady Stanton - 2015-11-25

"The moment we begin to fear the opinions of others and hesitate to tell the truth that is in us, and from motives of policy are silent when we should speak, the divine floods of light and life no longer flow into our souls." - Elizabeth Cady Stanton

Elizabeth Cady Stanton is something of an unsung hero in the history of the feminist movement. Though she is still primarily known as an advocate of women's suffrage and is closely linked to the better known Susan B. Anthony, Stanton was shunned by many of her fellow suffragists because her ideas seem too radical Deist view of religion. Over a century after her death, modern feminists tend to overlook Stanton in favor of Anthony, while remembering that Stanton enjoyed taking on the traditional 19th century gender roles of being the mother of a large family and remaining devoted to her husband throughout her life. And while Anthony's comments about abortion are still fiercely debated by pro-life and pro-choice crowds, Stanton held conservative views toward abortion. It's clear that Elizabeth Cady Stanton was very much her own woman, certainly a fitting description that she would not have wanted any other way. Though she is not as well known or fondly remembered as her closest counterpart, Stanton preceded Anthony as an advocate of women's rights. It was Stanton who issued the Declaration of Sentiments at the first women's rights convention in Seneca Falls, New York in 1848, touching off the organized movement that worked toward suffrage and equality. At the

**Lucy Stone** - Sally Gregory McMillen - 2015
A brilliant new biography of Lucy Stone, who, while often overshadowed by Elizabeth Cady Stanton, Susan B. Anthony, and others, played a pivotal role in the woman’s rights movement and fought for gender equality throughout her life.

**Humans of New York: Stories** - Brandon Stanton
- 2020-10-06
Now a #1 New York Times Bestseller! In the summer of 2010, photographer Brandon Stanton began an ambitious project - to single-handedly create a photographic census of New York City. The photos he took and the accompanying interviews became the blog Humans of New York. His audience steadily grew from a few hundred followers to, at present count, over eighteen million. In 2013, his book Humans of New York, based on that blog, was published and immediately catapulted to the top of the NY Times Bestseller List where it has appeared for
York. His audience steadily grew from a few hundred followers to, at present count, over eighteen million. In 2013, his book Humans of New York, based on that blog, was published and immediately catapulted to the top of the NY Times Bestseller List where it has appeared for over forty-five weeks. Now, Brandon is back with the Humans of New York book that his loyal followers have been waiting for: Humans of New York: Stories. Ever since Brandon began interviewing people on the streets of New York, the dialogue he's had with them has increasingly become as in-depth, intriguing and moving as the photos themselves. Humans of New York: Stories presents a whole new group of people in stunning photographs, with a rich design and, most importantly, longer stories that delve deeper and surprise with greater candor. Let Brandon Stanton and the Humans of New York he's photographed astonish you all over again.

**The Road to Seneca Falls** - Gwényth Swain - 2011-08-01
Mrs. Stanton's Bible traces the impact of the early 1800s, she realized that most people seemed to think that boys were better than girls. As Stanton grew up, she saw that women had fewer opportunities than men. With this in mind, Elizabeth Cady Stanton and her longtime friend Lucretia Mott organized the nation's first women's rights convention, which took place in Seneca Falls, New York, In 1848.

**The Road to Seneca Falls** - Gwenyth Swain - 2011-08-01
When Elizabeth Cady Stanton was a little girl in the early 1800s, she realized that most people seemed to think that boys were better than girls. As Stanton grew up, she saw that women had fewer opportunities than men. With this in mind, Elizabeth Cady Stanton and her longtime friend Lucretia Mott organized the nation's first women's rights convention, which took place in Seneca Falls, New York, In 1848.

**Mrs. Stanton's Bible** - Kathi Kern - 2018-09-05
Elizabeth Cady Stanton's religious dissent on the suffrage movement at the turn of the century and presents the first book-length reading of her radical text, the Woman's Bible. Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women's right to vote. Yet she spent the last two decades of her life working for another cause: women's liberation from religious oppression. Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church's stifling authority over women's lives. In 1895, she collaboratively authored this biblical exegesis, just as the women's movement was becoming more conservative. Stanton found herself arguing not only against male clergy members but also against devout female suffragists. Kathi Kern demonstrates that the Woman's Bible itself played a fundamental role in the movement's new conservatism because it sparked Stanton's
women's movement was becoming more from the National American Woman Suffrage Association. Mrs. Stanton's Bible dramatically portrays this crucial chapter of women's history and facilitates the understanding of one of the movement's most controversial texts.

**The Law Times Reports** - - 1859

**The Law Times Reports** - - 1859

**Harriot Stanton Blatch and the Winning of Woman Suffrage** - Ellen Carol DuBois - 1999-10-01
Blatch's dedication to woman suffrage, marked by a concern for social justice and human liberty, closely paralleled that of her mother. After her mother's death in 1902, Blatch returned to the United States. There she encouraged women from all classes to participate in the suffrage movement, advocated a lively activist style, and brought a genuine political sensibility to the movement.

**Fighting for Women's Suffrage** - Charles River Charles River Editors - 2017-12-19
in the history of women's rights in America. The important people in their lives. *Includes Anthony's and Stanton's comments on social issues like education, employment, suffrage, abolition, abortion, and more. *Includes bibliographies of each woman for further reading. "The true woman will not be exponent of another, or allow another to be such for her. She will be her own individual self Stand or fall by her own individual wisdom and strength She will proclaim the 'glad tidings of good news' to all women, that woman equally with man was made for her own individual happiness, to develop every talent given to her by God, in the great work of life." - Susan B. Anthony "The moment we begin to fear the opinions of others and hesitate to tell the truth that is in us, and from motives of policy are silent when we should speak, the divine floods of light and life no longer flow into our souls." - Elizabeth Cady Stanton Together, Susan B. Anthony and Elizabeth Cady Stanton formed the most important partnership women worked seamlessly, with Stanton providing the forceful ideology and Anthony providing the tireless advocacy. Stanton would later characterize their relationship, ""It is often said, by those who know Miss Anthony best, that she has been my good angel, always pushing and goading me to work, and that but for her pertinacity I should never have accomplished the little I have. On the other hand it has been said that I forged the thunderbolts and she fired them. Perhaps all this is, in a measure, true." Despite their partnership, the two women are often remembered quite differently. Stanton is something of an unsung hero in the history of the feminist movement. Though she is still primarily known as an advocate of women's suffrage and is closely linked to the better known Susan B. Anthony, Stanton was shunned by many of her fellow suffragists because her ideas seem too radical and because many were disturbed by her barely Deist view of religion. Over a century after
of course, every American is taught about their Stanton in favor of Anthony, while remembering that Stanton enjoyed taking on the traditional 19th century gender roles of being the mother of a large family and remaining devoted to her husband throughout her life. And while Anthony's comments about abortion are still fiercely debated by pro-life and pro-choice crowds, Stanton held conservative views toward abortion. It's clear that Elizabeth Cady Stanton was very much her own woman, certainly a fitting description that she would not have wanted any other way. Meanwhile, over the last 100 years, Susan B. Anthony has become one of the most venerated women in American history, even though she was one of the most hated women in American history during her lifetime. Anthony took note of her contemporaries' distaste for her but remained defiant, asserting, "I have encountered riotous mobs and have been hung in effigy, but my motto is: Men's rights are nothing more. Women's rights are nothing less." Today, nation's most famous suffragist, who tirelessly advocated and lobbied for women to be granted the right to vote. Though it wouldn't become legal until 14 years after Anthony's death, Anthony took it upon herself to illegally vote in 1872, which initiated one of the late 19th century's most famous political court cases. Fighting for Women's Suffrage chronicles the lives and partnership of the two women, examining their ideologies, advocacy, and writings. Along with pictures, you will learn about Stanton and Anthony like you never have before, in no time at all.

**In Her Own Right** - Elisabeth Griffith - 1984-09-13
The first comprehensive, fully documented biography of the most important woman suffragist and feminist reformer in nineteenth-century America, In Her Own Right restores Elizabeth Cady Stanton to her true place in history. Griffith emphasizes the significance of role models and female friendships in Stanton's progress toward personal and political independence. In Her Own Right is, in the author's words, an "unabashedly 'great woman' biography."

In Her Own Right - Elisabeth Griffith - 1984-09-13

Griffith emphasizes the significance of role models and female friendships in Stanton's progress toward personal and political independence. In Her Own Right is, in the
light the decisions and events made during the major issues in the nation's political, economic, social, cultural, intellectual and military history.

American Leaders & Innovators: Colonial Times to Reconstruction Workbook - Victor Hicken - 2019-01-02
The American Leaders & Innovators: Colonial Times to Reconstruction workbook provides biographical sketches that help students identify American leaders and innovators of the past as real people. The biographies deal briefly and concisely with people who helped make the republic great. Each of the 19 units contain a reading selection, a key details page, and an activity page, featuring graphic organizers, map analysis, writing activities, research opportunities, and more. Profiles include Benjamin Franklin, Tecumseh, Harriet Beecher Stowe, and Blanche Kelso Bruce. This workbook is correlated to current national and state standards. Books in the American History series for middle and upper grades focus on bringing to history of America. Lessons include a reading selection with background information on important people and events, as well as an activity skills page. Activities are focused on using informational text to develop reading comprehension skills. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

**Failure Is Impossible** - Lynn Sherr - 2010-09-29

“Susan B. Anthony didn’t live long enough to see women get the vote, but her tireless dedication shines through on every page.”—The Washington Post Book World Failure Is Impossible brings together—for the first time—a wide-ranging, spirited collection of Susan B. Anthony’s speeches, letters, and quotes, linked by contemporary reports and Lynn Sherr’s insightful biographical commentary. By allowing the legendary suffragist to speak for herself, Sherr brushes the dust off of the Susan B. Anthony icon, introducing a new generation to the brave, brilliant, funny, and, most of all, prescient woman she really was. “Lynn Sherr has done us all a great service by bringing to spectacular light the too long neglected story of one of our greatest
citizens.”—Ken Burns
the better the lives of a majority of American citizens.”—Ken Burns

_Waking in Time_ - Angie Stanton - 2017-03-01
Still mourning the loss of her beloved grandmother and shaken by her mysterious, dying request to _find the baby," Abbi has just arrived at UW Madison for her freshman year. But on her second day, she wakes up to a different world: 1983. That is just the first stop on Abbi's journey backward through time. Will travels forward through time. When Abbi and Will meet in the middle, love adds another complication to their lives. Communicating across time through a buried time capsule, they try to decode the mystery of their travel, find the lost baby, and plead with their champion, a kindly physics professor, to help them find each other again even though the professor gets younger each time Abbi meets him. This page-turning story full of romance, twists, and delightful details about campus life then and now will stay with readers long after the book's satisfying end.

The Woman's Bible - Elizabeth Cady Stanton - 2021-02-01

The Woman’s Bible (1895-1898) is a work of religious and political nonfiction by American women’s rights activist Elizabeth Cady Stanton. Despite its popular success, The Woman’s Bible caused a rift in the movement between Stanton and her supporters and those who believed that suffragist cause. Reactions from the press, political establishment, and much of the reading public were overwhelmingly negative, accusing Stanton of blasphemy and sacrilege while refusing to engage with the book’s message: to reconsider the historical reception of the Bible in order to make room for women to be afforded equality in their private and public lives. Working with a Revising Committee of 26 members of the National American Woman Suffrage Association, Stanton sought to provide an updated commentary on the Bible that would highlight passages allowing for an interpretation of scripture harmonious with the cause of the women’s rights movement. Inspired by activist and Quaker Lucretia Mott’s use of Bible verses to dispel the arguments of bigots opposed to women’s rights and abolition, Stanton hoped to establish a new way of framing the history and religious representation of women that could resist similar arguments that held up the Bible as
caused a rift in the movement between Stanton women. Starting with an interpretation of the Genesis story of Adam and Eve, Stanton attempts to show where men and women are treated as equals in the Bible, eventually working through both the Old and New Testaments. In its day, The Woman’s Bible was a radically important revisioning of women’s place in scripture that Stanton and her collaborators hoped would open the door for women to obtain the rights they had long been systematically denied. With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Cady Stanton’s The Woman’s Bible is a classic of American literature reimagined for modern readers.

Inspired by activist and Quaker Lucretia Mott’s use of Bible verses to dispel the arguments of bigots opposed to women’s rights and abolition, Stanton hoped to establish a new way of framing the history and
Christine de Pizan, Elizabeth Cady Stanton's resist similar arguments that held up the Bible as precedent for the continued oppression of women. Starting with an interpretation of the Genesis story of Adam and Eve, Stanton attempts to show where men and women are treated as equals in the Bible, eventually working through both the Old and New Testaments. In its day, The Woman's Bible was a radically important revisioning of women’s place in scripture that Stanton and her collaborators hoped would open the door for women to obtain the rights they had long been systematically denied. With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Cady Stanton's The Woman’s Bible is a classic of American literature reimagined for modern readers.

**Well-Behaved Women Seldom Make History** - Laurel Thatcher Ulrich - 2008
Examines three key works by women--the fifteenth-century "Book of the City of Ladies" by Christine de Pizan, Elizabeth Cady Stanton's memoirs, and Virginia Woolf's "A Room of One's Own," to explore the making of history from a woman's perspective.

**Freeing the Female Body** - Fan Hong - 2013-01-11
This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention, custom and prejudice to free women from the ranks of the sexualized, controlled and oppressed.
women's rights movement of the 1800s. In this 2013-01-11

**The Myth of Seneca Falls** - Lisa Tetrault - 2014-06-15
Myth of Seneca Falls: Memory and the Women's Suffrage Movement, 1848-1898

**Elizabeth Cady Stanton in Her Own Words** - Nicole Shea - 2014-08-01
For over 50 years, Elizabeth Cady Stanton was one of the most influential leaders of the women's rights movement of the 1800s. In this book, abundant with interesting photographs and images, readers are given a glimpse of Stanton's public and personal life through her own writings. Her friendship with Susan B. Anthony, work for the women's rights convention of 1848, and connection with the antislavery movement are especially highlighted. Sidebars and fact boxes offer more about this period in US and world history.
