

Glenn Hewitt, Environmental Program Specialist
NYS Dept. of Environmental Conservation Division of Materials Management

Glenn began his career at DEC in 2004 and joined the Product Stewardship Section in October, 2014. While Glenn works on a number of Extended Producer Responsibility Programs, Glenn is primarily responsible for working with regulated entities and the public on implementation of NYS's Electronic Equipment Recycling and Reuse Act. Glenn also plays a significant role in the state's thermostat recycling program.
